MSC January Update!

We have had a wonderful start to our second term at Montessori School of Cayman. We welcomed a few new students to MSC in our Toddler environment and some of our older Toddlers graduated to our Casa environment and have been settling in well.

As a school, we have been focusing on reviewing important Grace & Courtesy lessons to establish a peaceful harmony within our environments. These lessons help the children to understand the expectations of our school community. Grace & Courtesy focuses on teaching children how to interact with their peers and teachers, such as saying 'Good Morning' or 'please' & 'thank you!', walking in the environment, using their 'inside voices', pushing in chairs and choosing activities.

Our Toddler students have also enjoyed exploring the themes of Kindness and Shapes! The students have been busy engaging in various art and sensory activities and listening to stories pertaining to each theme. They have continued to perfect their daily routine as they have experienced some big changes in their environment with teachers and new friends!

Our Casa students focused on the theme of Colours in January! We explored primary, secondary and tertiary colours. The students enjoyed exploring with colour mixing and LOVED their special tie-dyeing activity that we did to finish off the theme. We are so excited for the month of February and look forward to exploring the theme of Lifecycles!

We experienced some staffing changes in January and said goodbye to Ms. Kati. We wish her all the best in her new role at NCVO! We were thrilled to welcome Ms. Lulu to our Toddler programme and having her as part of the MSC family. Both Toddler and Casa environments have warmly welcomed her and look forward to an exciting rest of the year with her!

We're looking forward to an exciting month ahead and wish you all a wonderful February!
