Ms. Bri

Head of School

About Me

Affectionately known as Ms. Bri, Briana is both an alumna and the proud owner and head of the Montessori School of Cayman. She first joined the school as a young student and, in 2016, stepped into leadership at just 24 years old, carrying forward the legacy of authentic Montessori education in Cayman, established by, Ms. Peggy Anderson.

Under her guidance, MSC continues to thrive—welcoming new generations of families and providing a nurturing, child-centered environment that encourages curiosity, independence, and growth. She is passionate about creating a school culture rooted in warmth, flexibility, enthusiasm, and a true love of learning.

Beyond the classroom, Briana loves to keep active, spend time on the water, and enjoy island life with her family. Little Cayman remains her favourite getaway—a place she has cherished since childhood.
