Ms. Dora

Assistant in Toddler Sun

About Me

Born in the Philippines, I come from a family of educators, which inspired me to study Child Development and Education. I began my career by helping a family member establish a school. As the school grew, I became deeply involved and spent decades working in both teaching and administrative roles.

Over time, the school became a successful institution with a strong foundation, guided by a clear mission and vision to educate and shape young children.

Later, I made the decision to move here to the Cayman Islands to join my spouse and continue my work. Gradually, I adapted and began to enjoy life and work on this beautiful island.

My experiences have shaped who I am today. My love for children, patience, integrity, and dedication help me thrive in my profession. Ms. Dora is excited to complete her O-3 AMI Orientation this term.
