

Montessori
SCHOOL OF CAYMAN

November 2023

We hope that our Half Term Break brought some much needed rest for the students. We were excited to welcome everyone back to school at the beginning of this week and were thrilled to introduce our Casa students to their brand new learning environment. As a school we celebrated Halloween and are looking forward to exploring the new themes for the month of November! Our Casa students will be learning about the Cayman Culture - including the plants and animals found in Cayman, some of the local dishes we eat and our National Cultural Celebration, Pirate's Week! We are especially happy to welcome our Casa parents into our Work Cycle this month for Parent Observations. Our Toddler Students will be exploring the theme, 'Caring For Ourselves', which will include learning about the five senses, identifying various emotions that we all have, and focusing on developing independent self-care skills. We look forward to another wonderful month at MSC and sitting down with you to discuss your child's progress and achievements. Have a lovely month ahead!

SAVE THE DATE

Please mark your calendars for our Christmas Concert and Celebration for Wednesday, December 13th at 6pm in the evening.

More About Montessori!

Please take some time to watch this video. This month we have featured a video that shows the beauty of the Montessori classroom community. Mixed-aged groupings in Montessori environments are fundamental to our philosophy. Peer to peer learning and mentorship is one of the wonderful benefits Montessori learning gives us. We hope you enjoy this video. Feel free to ask any questions that you may have! - [PEER TO PEER LEARNING - Montessori Guide](#)

PARENT TEACHER MEETINGS

Parent Teacher meetings will take place this month!

Toddler Meetings will take place the week beginning November 6th and Casa Meetings will take place the week beginning November 20th.

This is a wonderful opportunity for you to sit down with your child's teachers to discuss their time at school and progress over the first term. You will also get a chance to see some of the materials they have been working with in the classroom and discuss individual goals moving forward.

Sign-up documents for the meetings will be posted outside classroom doors this week. Please let us know if you have any questions about this!

"It is surprising to notice that even from the earliest age, man finds the greatest satisfaction in feeling independent. The exalting feeling of being sufficient to oneself comes as a revelation" - Dr. Maria Montessori
