About Me

Ms. Anna is new to Grand Cayman and is very excited to be part of each child's journey of growth and development. Originally from the UK, she completed her AMI training and has worked with children since the age of 15. For the past two years, she has enjoyed teaching within a Montessori environment in her hometown.

A strong advocate for independence, Ms. Anna believes every child should be empowered with the skills to make their own choices and confidently express their views and feelings.
